Attention: F. David Butler, Esq.  
General Counsel

Dear Sirs:

Ref: Case No: 2004-219-E  
Subject: Mrs. Beatrice E. Weaver Medical Report Update  
And Request for Hearing Date

FOR THE RECORD:

As you were duly advised, a' priori, in March, 2005, I left S.C. for medical treatments at the Morris Cancer Center at Duke University Medical Center in Durham, N.C., and subsequently for medical rehabilitation at the Yuma Rehabilitation Hospital, in Yuma, Arizona. The schedule for my medical treatments is on file with your Office.

Accordingly please be advised that I am now undertaking medical rehabilitation protocols at the Yuma Rehabilitation Hospital in Yuma, Arizona. Please refer to the attached copy of the Hospital's medical certificate dated June 6, 05, included herewith for your file.

Based on my present medical condition, I am registered for admission to the Mayo Clinic in July, 2005. The duration of my stay at Mayo Clinic is now projected through August, 2005.

Thereafter, I shall be returning to Durham, N.C. for further medical protocols at DUMC. My estimated return to S.C. is around mid-September, 2005. I shall require a period of rest thereafter. I shall again enter under the medical care of my primary care provider, Dr. P. Wallace M.D. in Dillon.

During October I shall need sufficient and appropriate time to process the legal requirements for the preparation for the Hearing. Thus in view of my medical condition and schedule, may I propose that you set the Hearing Date during either the second part of November, or during the first part of December, 2005.
